

To,

Mr. Narayan

SUB: PROPOSAL FOR SCHOOL WEBSITE & SOFTWARE.

Firstly thank you very much for showing interest in our services and giving us opportunity to present our services to your esteemed organization as per your requirement I'm sending you the details of our School software & Website.

At **Power Bizz** we offer complete web design solutions, where our clients are benefited to have all reciprocal solutions under a single umbrella. Our website development company is capable of providing high quality; cost-effective; services.

Power Bizz is one of the front-runners in School Software in India, as a Software company we ensure the best possible strategic outcome for your website. As a result at present we're catering numerous high profile corporate houses based in India and Abroad for their School Software based requirements. Besides New Delhi, India, we have also won the confidence of top global players as a web site development company. We understand the every School Software Company has a unique requirement when it comes to School Software. Where our responsibility is to project that uniqueness and make the Software/Website stand out from its competition.

We have a team of highly qualified and experienced Software Developers & Technical support Executives. We have already worked with many School Software companies and successfully implemented School Software.
